**PRESIDENTS MESSAGE**

Submitted By: Bruce Kimball

This is my last message as your chapter president. This year has been fun, challenging, informative, entertaining, and most of all, rewarding.

The strength of the Madison ASHRAE Chapter has always depended on the voluntary contributions of the members, and we have some exceptionally talented and dedicated members. Currently, whole teams of volunteers are planning for the CRC in the spring of 2007. A few more people are needed to handle some of the details but I am confident the positions will be filled. Don't be surprised if Tom James or Mark Miller give you call!

Don't miss the golf outing this Monday, 6/12/06. It is our annual fundraiser for the chapter and the source of our scholarship funds. Additional monies are directed to Research at the Board's approval. We will have a quick chapter meeting to vote for next years Board of Governors and we are pleased that John Rieke, our region chair for Research Promotion will be joining us for dinner.

I am looking forward to the next ASHRAE year. Chad Faber will be an excellent President and his enthusiasm is contagious. With the CRC, and other duties on his plate, please give Chad as much help as you have given me.

It has been an honor to serve as your President. Thank you and God Bless.

Sincerely,

**Bruce Kimball,**

Madison Chapter President 05/06.

**PRESIDENT-ELECT MESSAGE**

Submitted By: Chad Faber

This has been an exceptional year for our chapter and I would like to thank you the members for making it such a great one. This year we reached an all time high for attendance. It was great to see all the new faces that came to the meetings as well as the familiar ones. It is your enthusiasm that helps keep our chapter strong. We all need to do our part to continue to encourage young members to get involved in ASHRAE and what better way to do it than by showing your support and attending month meetings.

I would also like to thank all the volunteers of our chapter that take care of all the work needed to keep it in operation. There are many hard working Board members and committee chairs that devote their spare time to providing services to our chapter. Bruce Kimball our President has done a superb job this year representing our chapter.

I am looking forward to another great year. The 2007 CRC is quickly approaching and our committee co-chaired by Mark Miller and Tom James has a great start in preparing for this big event. If you are considering getting more involved in our chapter this is a great opportunity for you to do so.

See you in September.

**Chad Faber**

Madison Chapter President 06/07.

**MEMBERSHIP**

Submitted By: Matt Heil

	June 2005	July	Aug	Sept	Oct	Nov	Dec	Jan 2006	Feb	Mar	Apr
Members	232	226	229	233	234	238	239	242	246	248	245
Students	23	22	22	24	31	30	28	27	27	25	23
Delinquency	17	62	51	42	34	31	29	29	32	30	28

We would like to congratulate Mr. Gregrey Reible from Embassy Controls, Mr. Bryon Mieritz from Emcor, Ms. Crystal Pilon from USDA Forest Service, and Mr. Shawn Briquet from Kilgust Mechanical as our new ASHRAE members. Please help us on making them feel welcome to our organization.

Members can now pay for up to three years of membership or associate membership in one transaction and receive a 10% discount on the second or third year of payment. If you pay for a two year membership, you will get a \$15 discount off the total payment. If you pay for a three year membership, you will get a \$30 discount off the total payment. Please note that multiyear payments must be made by phone or mail. Chapter dues payment will be accepted at the society headquarters with society dues payment only if chapter payments are made in the same multiyear increments. For example, when a member pays two or three years of society dues, he will need to pay chapter dues at the same time to the society headquarters in the same two or three years increments.

Applications for new members can be filled out on line at <http://www.ashrae.org>, or I would be happy to email you an application.

Sincerely,

**Matt Heil**

**RESEARCH PROMOTION**

Submitted By: Al Zeller

We are entering the crunch time for the **2005-2006** Campaign. While we have received \$7,897(over 50% of our goal) in donations to date, we have a lot of checks to get in to Society before the end of this month. To avoid overnight mailing charges, we need to have all donations in the hands of your Research Promotion committee contact person no later than **June 23, 2006**.

For you, our repetitive donors, if you have not increased the amount you have given for a while, please consider it this year! Our research dollars have never been more important! *Please be generous!*

Comments or questions, please contact me at (608) 241-9342 or at [zeller@capitolmechanical.com](mailto:zeller@capitolmechanical.com).

Sincerely,

**Al Zeller**

**STUDENT ACTIVITIES**

Submitted By: Wayne Prior

***We have students interested in summer employment if anyone can use some help.***

Contact me at (608) 288-8338 or [prioreng@mcleodusa.net](mailto:prioreng@mcleodusa.net) and I will provide you with résumés.

**CHAPTER REGIONAL CONFERENCE '07**

Submitted By: Mark Miller /Tom James

The Region VI conference will be held in **Madison in 2007** from **May 3<sup>rd</sup> through the 5<sup>th</sup>**. The Committee has selected Monona Terrace, as the site to hold the meetings to portray the wonderful attributes that Madison has to offer. We are breaking down the tasks to divide up the responsibilities to ease everyone with a straightforward task of the event. We are excited about the great things we can offer our guests of the other eleven chapters from six states. We have some good things in place and would like to work through the details of the various activities to be prepared by December. This is where you can help.

We have outlined roles within the various committees and would like some assistance. The tasks can be simple as well as fun. Here are few of the things we are looking to accomplish:

- Technical Sessions that will be of interest to you and your peers in the Region,
- Welcome Party event to celebrate Madison,
- Banquet with entertainment that would be fun for tenured Society personnel and energetic young engineers,
- Companion activities for attendee guests as business meetings are conducted,
- Tour opportunities that would be unique to many of our ASHRAE guests,
- Have some traditional Madison fun.

Committee members will be contacting as many of you as we can to ask for your assistance. Give us a hand and contact either Mark Miller [mark.miller@mail.ashrae.org](mailto:mark.miller@mail.ashrae.org) or Tom James at [Tjames1229@aol.com](mailto:Tjames1229@aol.com) for your ideas. *We look forward to hearing from you!*
